Project 3 -

Policy development to facilitate the implementation of nature-based solutions in the Nordic countries

Question, 08. 02. 23:

We are looking at the "NbS guidelines for decision makers - Projects out for tender", but we have got stuck. Could you help us find where we actually apply (if open) and what we have to complete to submit our tender response?

Answer, 09. 02. 23:

You must fill out the project description form and the budget form.

And you submit your tender response by sending it to jonao@us.fo.
